

## AFTER-SCHOOL JUNIOR 5 week PROGRAM

### “ROOKIES” (Beginner & Intermediate)

April 19<sup>th</sup> to May 21<sup>st</sup> 2010

Dear parents

We are excited about this year's After-School **ROOKIE** Program. The “Rookie” program is designed for young players that are still learning basic stroke development.

Our staff of experienced Tennis Coaches under the direction of tennis celebrity and

**Davis Cup Player Yann Auzoux** will train your young talents to give them all the tools necessary to improve. They will enhance:

- Their technique
- Their conditioning
- Their competitive edge
- Their general understanding of the game of tennis

We specialize in helping players make their **high school varsity teams** and prepare themselves for tennis in college.

There are many programs in the area, but only one offers a **5 step improvement guarantee** that you can follow. We make an assessment at the beginning of the program and set weekly targets that must be achieved. Your kids like to be challenged and we like to oblige.

You will be able to notice:

1. Improved consistency
2. Improved footwork
3. Improved serves and returns
4. Improved transition game and volleys
